Force Ten

John Kelley

Tough times demand, tough talk demand
Tough hearts demand tough songs
Tough times demand, tough talk demand
Tough hearts demand, tough songs demandWe can rise and fall like empires
Flow in and out like the tide
Be vain and smart, humble and dumb
We can hit and miss like pride, just like prideWe can circle around like hurricanes
Dance and dream like lovers
Attack the day like birds of prey
A scavengers under cover, under coverLook in to the eye of the storm
Look out for the force without form
Look around, sight and sound
Look in, look out, look aroundTough times demand, tough talk demand
Tough hearts demand, tough songs demandWe can move with savage grace
To rhythms of the night
Cool and remote like dancing girls
In my heat of the beat and the lights, and the lightsWe can wear the rose of romance
An air of joie de vivre
To tender hearts upon our sleeves
Skin as thick as thieves, thick as thievesLook in to the eye of the storm
Look out for the force without form
Look around at the sight and sound
Look in, look out, look aroundTough times demand, tough talk demand
Tough hearts demand, tough songs demandLook in to the eye of the storm
Look out for the force without form
Look around at the sight and soundLook in with the storm in the eye
Look out for the sea and the sky
Look around at the sight and sound
Look in, look out, look aroundTough times demand, tough hearts
Tough times demand, tough talk
