Hallelujah

Teddy Geiger

You're the girl in the back of the room
My wall flower that's in bloom
You're so oblivious to this
But I could fall into those eyes
Pretty circles and I try to escape it soon, yeahWell Hallelujah, when you look at me
And Hallelujah, you're the halo over me
And you're all that I need
With you, every day is Saturday
With you, every word you say is like a song
With you, well, every thing is obvious, Hallelujah, Hallelujah
Well I found you, I found you, I found you, HallelujahI never thought I'd take that jump
A nervous laugh around someone
I'm sleeping in the palm of your hand
The way you whisper on the phone
I hear your voice when I'm alone
'Cause you always understand just who I amWell Hallelujah, your love is free
And Hallelujah, you're the halo over me
And you're all that I need
With you, every day is Saturday
With you, every word you say is like a song
With you, well every thing is obvious, Hallelujah, Hallelujah
Well I found you, I found you, I found you, HallelujahThe best things are unexpected just like this
Like a balloon in the sky you just can't miss
And I'm never letting this love go
Hallelujah, HallelujahWith you, every day is Saturday
With you, yeah, every word you say is like a song
With you, yeah, everything is obvious, Hallelujah, Hallelujah
Yeah, 'cause I found you, yeah I found you
Yeah, I found you, Hallelujah, Hallelujah, Hallelujah
