

1950s Fashion

All Heroes

Got a dollar in my wallet, gonna buy a gift for you
Something shiny and new
But you don't have time to see me, so I spent it on a case of pop
I'll be drinking till my teeth fall out Where do you go, where do you go when the sun goes down?
Down Got a nickel in my pocket, what is a boy to do?
Your birthday's coming in June
So I'll pick the neighbor's flowers, or buy you a plastic ring
And ask you to marry me Where do you go, where do you go when the sun goes down?
Where do you go, where do you go when the sun goes down?
Down, down, down The loneliest room in this house
Take the stairs and turn around
The loneliest room in this house
Take the stairs and turn around
The loneliest room in this house
Take the stairs and turn around
Turn around, just turn around I've got a million dollars
I'll buy her a trip to the moon
But she still won't come to my room
