## Land of the Living

## **Bush**

I found myself in another world I found myself alive and wellI am the vapor, I am the gas You be the angel of everything This is the land of the living This is the land of reprisal This is the land of the living The living, the living I lost myself, too wide a plane I opened up, I'm not the sameI am electric, made of wire You be the match, I'll be the fireThis is the land of the living This is the land of reprisal This is the land of the living The living, the livingIn myself I try for you Walk a thousand miles to get us through Airways, jet planes Safe landings, no brandingLand, landThis is the land of the living The land of reprisal This is the land of the living The land of survival, survivalLand, landThis is the land of the living The living, the living, the living
