

It's Alright (Live at Ronnie Scott's)

Curtis Mayfield

They say it's alright
Say it's alright
It's alright, have a good time
Cause it's alright, whoa it's alright Now we gonna move it slow
When the lights are low
When you move it slow
It feels like more (?) Cause it's alright
Whoa it's alright Now listen to the beat
Kinda tap your feet
You got soul
Everybody knows that it's alright
Whoa it's alright When you wake up early in the morning
Feeling sad like so many of us do
Hold a little soul
And make life your goal
And surely something's gotta come to you And you gotta say it's alright
Say it's alright
It's alright, have a good time
Cause it's alright
Whoa it's alright Someday I'll find me a woman
Who will love me and treat me real nice
Where my road has got to go (?) My love she will know from morning, noon
Until the night And she's gotta say that it's alright
Say it's alright
It's alright, have a good time
Cause it's alright
Whoa it's alright
Now listen to the beat
Kinda tap your feet
You got soul
Everybody knows that it's alright
Whoa it's alright
You got soul
Everybody knows that it's alright
Whoa it's alright
