

Please Don't Touch My Birdie

Parokya Ni Edgar

(Chito Miranda)

Kapag ako'y nababato
Pinaglalaruan ko ang birdie ko
Ang cute-cute naman kasi
Kaya ko siya binili My birdie is my best friend (my best friend)
Ang dami naming maliligayang sandali
Madalas ko siyang pinapakain ng birdseed
Mahal kita o birdie ko, 'wag kang lalayo! Don't touch my birdie! (Don't touch my birdie!)
Resist temptation please!
You don't have to grab my birdie
Just call it, and it will come! Ang birdie ko ay nakakatuwa
Parang cobra na mahilig mantuka
Kapag inilabas na mula sa kulungan
Tuluy-tuloy na ang aming kasiyahan! Di naman ako madamot talaga
Ayaw ko lang na hinahawakan siya ng iba!
Ang birdie ko ay medyo masungit
Konting hawak lang siguradong magagalit! Don't touch my birdie! (Don't touch my birdie!)
Resist temptation please!
You don't have to grab my birdie
Just call it, and it will come... It will come! Huwag ka sanang magalit sa akin
Tuwing ang birdie ko ay aking hihimasin
Sana'y maunawaan mo
Mahal na mahal ko ang birdie ko pati mga itlog nito! Don't touch my birdie! (Don't touch my birdie!)
Resist temptation please!
You don't have to grab my birdie
Just call it, and it will come Don't touch my birdie! (It will come)
Resist temptation please! (It will come)
You don't have to grab my birdie
Just call it, and it will come... It will come It will come
