

Mystery Girl

Roy Orbison

Darkness falls and she will take me by the hand
Take me to some twilight land where all but love is gray
Where I can't find my way without her as my guide
Night falls, I'm cast beneath her spell
Daylight comes our heaven turns to hell
Am I left to burn and burn eternally?
She's a mystery to me, she's a mystery girl
She's a mystery girl
In the night of love, words tangled in her hair
Words soon to disappear, a love so sharp it cut
Like a switchblade to my heart, words tearing me apart
She tears again my bleeding heart
I want to run she's pulling me apart
Fallen angel cries and I just melt away
She's a mystery to me, she's a mystery girl
She's a mystery girl, she's a mystery girl
She's a mystery girl
Haunted by her side it's the darkness in her eyes
That so enslaves me, but if my love is blind
Then I don't want to see, she's a mystery to me
Night falls, I'm cast beneath her spell
Daylight comes our heaven turns to hell
Am I left to burn and burn eternally?
She's a mystery to me, she's a mystery girl
She's a mystery girl, she's a mystery girl
She's a mystery girl, she's a mystery girl
She's a mystery girl, she's a mystery girl
She's a mystery girl, she's a mystery girl
She's a mystery girl
