Greedy Man

The Sheepdogs

Yeah I get what I want
Nothing gets in my way
Ive got so many important people
That Ive got to talk to todayI fought a thousand at one time
Got stocks and bonds up on the mind
Thats how I roll, son(Hey, get out my way)
I dont feel to good
When Im on my own
(Hey, get out my way)
Yes Im a greedy man
Greedy manYeah I take my sweet time
Nothing fucks with my sleep
Ive got a wife, girlfriend, and lovers
Saying yes and saying pleaseCast another down the line
Im one of the baddest motherfuckers of all time
Thats how I roll, son(Hey, get out my way)
I dont feel to good,
When Im on my own
(Hey, get out my way)
Yes Im a greedy man
Greedy man
