

# Clinging To The Cross (feat. Brooke Fraser)

Tim Hughes

My soul is weak, my heart is numb, I cannot see  
But still my hope is found in You  
Ill hold on tightly, You will never let me go  
Jesus You will never fail My soul is weak, my heart is numb, I cannot see  
But still my hope is found in You  
Ill hold on tightly, You will never let me go  
Jesus You will never fail  
Jesus You will never fail Simply to the cross I cling  
Letting go of all earthly things  
I'm clinging to the cross Mercys found a way for me  
Hope is here as I am free  
Jesus You are all I need  
I'm clinging to the cross Even darkness is as light to You, my Lord  
So light the way and lead me home  
To that place where every tear is wiped away  
Jesus You will never fail  
Jesus You will never fail Simply to the cross I cling  
Letting go of all earthly things  
I'm clinging to the cross Mercys found a way for me  
Hope is here as I am free  
Jesus You are all I need  
I'm clinging to the cross What a Saviour, what a story  
You were crucified but now You are alive  
So amazing, such a mystery  
You were crucified but now You are alive Simply to the cross I cling  
Letting go of all earthly things  
I'm clinging to the cross Mercys found a way for me  
Hope is here as I am free  
Jesus You are all I need  
I'm clinging to the cross Grace has made a way  
Lead me to the one that is higher than love  
Lead me, lead me, lead me, oh  
Grace has made a way Simply to the cross I cling  
Letting go of all earthly things  
Clinging to the cross  
Clinging to the cross
