

Warrior In Woolworths

X-Ray Spex

Warrior in woolworths
Behind his servile innocence
He's the rebel on the underground
He plots and he schemes
Humble he may seem She's the rebel of the modern town He's the rebel on the underground
His roots are in today
Warrior in woolworths
She's the rebel of the modern town
Doesn't know no history Warrior in woolworths
He threw the past away
Weapons rule their lives Dips on friday nights
Youths meet at stockwell tube
