[Verse 1](Gucci Mane)
Mi casa su casa partna
Mi casa so full of rahstas
More ganja then reefer farmers
You can see me with binoculars
White girl wit me cindy lauper
Multi deep like frank sanotra
Gave 10 birds to waka flocka
Told him drop em more den floza
Whoozy like the morning after try me then yo skull get fractured
Ransom yo lil hansom son
So sad yo that first daughter captured
Gucci hot as boiling water
My pack just came cross the border
Yo girlfriends a major snoter
But dat bitch aint worth a quarter
Don't give that anotha thoughta
If you serve me and you shorta
Once a half a eigth a quarter

Send my goons to do the slaughter
Hustle hard got from my father
Take no shit got from my mother
Never snitched and never will
I put dat on my baby brother

[Chorus][Verse 3](OJ da Juiceman)
in the kitchen with Patrick Swayze
Me and yay are dirty dancing
Drop a dough's deuce
[Chorus][Verse 4](Waka Flocka Flame)
To the B Gang, that a G thang
See me? I'm eyeball shawty
Gucci got the work and I got the 40
Work the windles and hold the gun
Smoke from my pistol
I wish you'd run
[Chorus][Verse 5](Shawty Lo)
Shawty Lo, call me Eskoball
They tryna retire me like the great Brett Farve
Still got no wife but the wife be my girlfriend
[Chorus]
