

Pink Toes (feat. Jhene Aiko)

Childish Gambino

[Hook: Childish Gambino]

Rainbows, sunshine

Rainbows, sunshine

Rainbows, sunshine

Rainbows, sunshine[Bridge: Childish Gambino]

I thought I told you 'bout it

(Act like you know) [x3]

You don't leave home without it

(Move that kilo) [x3]

She on my back about it

(C3PO) [x3]

And all the time, ohh

(Act like you know) [x3][Verse 1: Childish Gambino]

How could you ever question? They know better to mention

The Budget truck ain't just enough to make her pay attention

The who, what, why, and where, they sport the flyest pairs

She got the nicest hair, and she know life is better with this liquor

It's crazy how the world look different

It's crazy how the girls look different

The colors and the sounds so vivid

You never catch your boy bo-bimbin'

Me sittin' on the sidewalk, now that don't sound right

But as long as I look fly by prom night, go[Hook: Childish Gambino][Interlude]

Jhene Aiko's angelic harmonizing[Verse 2: Jhene Aiko]

He slangs, his yay, through the corridors

Every day, 20 K, yep, at the very least for sure

And they say there's no way I should stay with someone like you

But I tell them no

There's no way I could stray, gotta stay with someone like you

Cause I know one day, you could take me away, far away

I know you could pay all the money you make

There'll be plenty of sunshine[Outro]

I never worry ???bout it

(Act like you know) [x3]

I have my nigga count it

(Back up them O???s) [x3]

She???s dressed up in gold

Dressed up in gold

(C3PO) [x2]

I'm out of time
(Act like you know) [x3]
