Losing Track

Liane V

[Intro]
Losing track of time when I'm with you (3x)

[Chorus]
(I'm) losing track of time when I'm with you
(I'm) losing track of time when I'm with you
(I'm) losing track of time when I'm with you
(I'm) losing track of time, losing track of time, ohoh
I can't tell the days
I can't tell the hours, baby
When you touch me
I lose all of my powers, baby
(I'm) losing track of time when I'm with you
(I'm) losing track of time, losing track of time, ohoh

[Verse 1]
Baby our love can't be tamed
If you keep it up like this
I'mma change my name
I ain't tryina give you some of me, no-o
I'm just tryina give you all of me, uh huh
You got me missing my flights
Got me up late at night
When you're with me feel so right
The way you make me feel inside
[Chorus]
(I'm) losing track of time when I'm with you
(I'm) losing track of time when I'm with you
(I'm) losing track of time when I'm with you
(I'm) losing track of time, losing track of time, ohoh
I can't tell the days
I can't tell the hours, baby
When you touch me
I lose all of my powers, baby
(I'm) losing track of time when I'm with you
(I'm) losing track of time, losing track of time, ohoh

[Verse 2]
Time moves fast when I'm close to you

You make me comfortable
Put my heart and my soul in it
When you lose control in it
I just wanna grow old with ya
I'm just tryina let you know, baby

[Pre-Chorus]
I ain't tryina give you some of me, no-o
I'm just tryina give you all of me, uh huh
You got me missing my flights
Got me up late at night
When you're with me feel so right
The way you make me feel inside
[Chorus]
(I'm) losing track of time when I'm with you
(I'm) losing track of time when I'm with you
(I'm) losing track of time when I'm with you
(I'm) losing track of time, losing track of time, ohoh
I can't tell the days
I can't tell the hours, baby
When you touch me
I lose all of my powers, baby
(I'm) losing track of time when I'm with you
(I'm) losing track of time, losing track of time, ohoh
