I Can Hear the Grass Grow

The Move

See the people all in line, what's makin' them look at me?
Can't imagine that their minds are thinkin' the same as me

I can hear the grass grow, I can hear the grass grow
I see rainbows in the evening

My head's attracted to a magnetic wave of sound
With the streams of coloured circles makin' their way around

I can hear the grass grow, I can hear the grass grow
I see rainbows in the evening

Can't seem to puzzle out the signs (oooh-wee-oooh)
My senses form a micro line
Get a hold of yourself now, baby
See, I need you to help now, baby
Get a hold of yourself now, baby

Put your head down to the ground and listen to your mind
If you can't tell what you found, I know that you're not my kind

I can hear the grass grow, I can hear the grass grow
I see rainbows in the evening

Can't seem to puzzle out the signs (oooh-wee-oooh)
My senses form a micro line
Get a hold of yourself now, baby
See, I need you to help now, baby
Get a hold of yourself now, baby

See the people all in line, what's makin' them look at me?
Can't imagine that their minds are thinkin' the same as me

I can hear the grass grow, I can hear the grass grow
I see rainbows in the evening

I can hear the grass grow, I can hear the grass grow
I see rainbows in the evening
