

# Eon

## Anita Lipnicka

I'm pushing, I'm pushing  
I'm pushing through  
I'm pushing through face  
I'm pushing through facedown  
I'm pushing through facedown  
I'm pacing inside this empty room  
Told to wait till my life's withdrawn  
Uneasy, I'm waiting here anxiously  
It's a waste and I won't wait another Eon  
    Endless night  
    Long for light  
    My head against this tomb  
    And pushing through  
    I'm pushing through  
    Facedown and pushing through  
    Trapped and isolated  
    Time is dislocated  
    Eternity is what a moment seems  
    When I can't feel anything  
    Erasing my final memories  
They won't stop till my whole life's gone  
    Uneasy, I wait for normality  
It's a waste and I won't wait another Eon  
    Endless night  
    Long for light  
    My head against this tomb  
    And pushing through  
    I'm pushing through  
    Facedown and pushing through  
    Trapped and isolated  
    Time is dislocated  
    Eternity is what a moment seems  
    When I can't feel anything  
    When life is gone without a trace  
    And hope is lost in time's embrace  
I won't wait or hesitate; 'cause I'm pushing through facedown  
    I won't wait or hesitate; 'cause I'm pushing through  
    If time's a song, I won't wait for its reprise

I am done wishing farewells and goodbyes  
I won't let this place overshadow my birthright  
I won't wait another Eon  
Impatiently  
Impatiently  
I'm cutting through the earth in front of me  
Bone on stone, blood and sweat married  
Can't hear the voice that whispers fears when my heart is pounding in my ears  
All I see in my mind is not what I've left behind  
But all the things I've been missing in that lost Eon  
Endless night  
Long for light  
My head against this tomb  
And pushing through  
Trapped and isolated  
Time is dislocated  
Eternity is what a moment seems  
When I am lost inside this dream  
When I can't speak and I can't scream  
And I can't feel anything
