First Love

Stryper

She waits alone, oh every night
Tears are in her eyes
She has lost all the love she hadShe lived her life for him each day
She threw it all away
To live for herself, live her life a wayThere is no love like the love of your first love
It's so true
It's for you as you are
Tears in the night, filled with pain
You're running for the love
That you had once before, your first loveSomeone to help you though the pain
To make you smile again
And to protect you foreverSomeone to take your fears away
To help you through each day
To carry you when you just can't go onThere is no love like the love of your first love
It's so true, yes
True love will never leave you
Tears in the night, filled with pain
You're running from the love
That you had before you cried for your first loveThere is no love like the love of your first love
It's so true, yes
True love will never leave you
Tears in the night, filled the love
You're running from the love
That you had before you cried out for your first love
Tears in the night, filled with the love, you're living from the love
You had and for you
