

Satisfaction Guaranteed

Alyssa Reid

I screwed up I know
And I did wrong I know
What let you down
you're the best thing around

There's a hole in my heart
And it tears me apart
Cause I let you down
You're the best thing I felt

Chorus:

I know what you like
I know what you need
And if you come here tonight
Satisfaction guaranteed.
Just call me baby again
I ain't to proud to pled
I will take care of you
Satisfaction guaranteed.

The clocks ticks it's time
But still I can't unwind
Cause I need your lips
And your heart next to mine.

So I do pass the plates
Just to see your face
Won't let your down
You're the best thing around
This hole left in town

Chorus:

I know what you like
I know what you need
And if you come here tonight
Satisfaction guaranteed.
Just call me baby again
I ain't to proud to pled
I will take care of you

Satisfaction guaranteed.

I'm only human
You make mistake too
And nobody knows
do you like , do you like I do
Forgive and try to walk in my shoes
And nobody else
do you like? do you like I do

2 x Chorus:

What you like
Baby I know what you need
And if you come here tonight
Satisfaction guaranteed.
Just call me baby again
I ain't to proud to pled
I will take care of you
Satisfaction guaranteed.
