

How Long Will I Love You - Bonus Track

[Ellie Goulding](#)

How long will I love you?
As long as stars above you
And longer, if I canHow long will I need you?
As long as the seasons need to
Follow their planHow long will I be with you?
As long as the sea is bound to
Wash up on the sand
How long will I want you?
As long as you want me to
And longer by farHow long will I hold you?
As long as your father told you
As long as you canHow long will I give to you?
As long as I live through you
However long you say
How long will I love you?
As long as stars above you
And longer, if I mayHow long will I love you?
As long as stars above you
