

Something's Happening

[Peter Frampton](#)

Who said it's my year was it you there? Can't go wrong

I see a new way you'll be in my play, sing my song

Where is the reason I keep teasing, if I knew?

To see the new year not being blue here, evermore You know it's alright something's happened

Hold tight it might be lightning

Turn up the lights somethin's moving

Can't sleep at night my heart keeps missing a beat Well, I know it's my year ain't got no fear, hold me down

Take it easy if not for me, sing my song, yeah

Where is the reason I keep teasing, if I knew?

To see the new year not being blue here, evermore You know it's alright something's happened

Hold tight it might be lightning

Turn up the lights I feel like dancing

Can't sleep at night my heart keeps missing a beat Ooh baby, don't ever let it bring you down

Ooh baby, that's not the way I want it to sound

Ooh baby, don't ever let it bring you down

Ooh baby, I'll pick you up on the ground Alright something's happened

Hold tight it might be lightning

Turn up the lights I feel like dancing

Can't sleep at night my heart keeps missing a beat Ooh baby, don't ever let it bring you down

Ooh baby, that's not the way I want it to sound

Ooh baby, don't ever let it bring you down

Ooh baby, I'll pick you up
