

# Can I Change My Mind

## Delbert McClinton

She didn't bat an eye  
As I packed my bag to leave  
Thought she would start to cry  
Sit around my room and weepBut, oh, the girl  
She fooled me this time  
She acted like I was  
The last thing on her mind  
I would like to  
Start all over againBaby, can I change my mind?  
I just wanna change my mindAs I took those steps  
Towards that open door  
Knowing all the time  
Oh, Lord, I just didn't wanna goBut she didn't  
Give me no sign  
Nothin' that would make me  
Change my mind  
Lord, I would like to  
Start all over againPlease, please, baby  
I just wanna change my mind  
Oh, didn't IOh, I played my games  
Many times before  
But people let me tell, y'all  
Oh, I never reached the doorOoh, the wind is high tonight  
I keep looking back  
But my baby's not in sight  
I would like to  
Start all over againBaby, can I change my mind?  
Oh, I'm so sorry, baby  
Please let me change my mindPlease, please, baby  
let me change my mind  
I want to start all over  
Start all over
