

Traditional Values

RF7

Still like to get fucked
Still like to get stoned
Still like to wake up
Not sure if Iâ€™m alone
Iâ€™ve got Traditional Values

Never been to the Bank
Donâ€™t like to pay bills
No money in my pockets
Bet you know how that feels
Iâ€™ve got Traditional Values

Born with no purpose, no mission, no fate
Just doinâ€™ time in a world of hate
Raised in a generation lost in time
Pulling it together ainâ€™t no job of mine
Iâ€™ve got Traditional Values

Still like to ditch work
Still like to drink and drive
Still like to find out
If I can make it home alive
Iâ€™ve got Traditional Values

Never understood rules
Canâ€™t apologize
Even when I lie
I Look you right in the eyes
Iâ€™ve got Traditional Values
