

Day The World Turned Dayglo

X-Ray Spex

I clambered over mounds and mounds
Of polystyrene foam
And fell into a swimming pool
Filled with fairy snow
And watched the world turn day-glo
you know you know
The world turned day-glo you know I wrenched the nylon curtains back
As far as they would go
And peered through perspex window panes
At the acrylic road I drove my polypropolene
Car on wheels of sponge
Then pulled into a wimpy bar
To have a rubber bun The X-rays were penetrating
Through the laytex breeze
Synthetic fibre see-thru leaves
Fell from the rayon trees
