Believe

PRIME Sth

You say that I am just a dreamer
So kill me if I believe
Maybe I don't need a savior
'Cause only I can save myselfBecause if you don't believe
It will not come around
If you walk with your head down
You won't be able to see the sunYou say that I am acting crazy
So kill me for having fun
Maybe I like it hazy
Maybe I just don't mindBecause if you don't believe
It will not come around
If you walk with your head down
You won't be able to see the sunIf you don't believe
It won't come aroundBecause if you don't believe
It will not come around
If you walk with your head down
You won't be able to see the sunIf you don't believe
It won't come around
