Destiny

Buju Banton

The rich man's wealth is in the city
Destruction of the poor is his poverty
Destruction of your soul is vanityDo you hear?
I and I, I wanna rule my destiny

I and I, I wanna rule my destiny Destiny, mama look from when you call me

Destiny, mama look from when you calling

I wanna rule my destiny

Yeah, yeah, oh, help I please, Jah Jah, mek mi ruleI've been blessed I've been touch, I love Jah so much

They keep fighting me I'm not giving up

May the realms of Zion fill my spiritual cup

Wisdom overstanding can never be too much

Give I protection Day and nightDestiny, mama look from when you call me

Destiny, mama look from when you calling

I wanna rule my destiny

Yeah, yeah, oh, help I please, Jah Jah, mek mi ruleCast away their cords from us

You have them in the region in the valley of decision

Restraining the heathen with a rod of iron

You know not the destiny of a next man

Why hold him set him free too longMy destination is homeward bound

Though force try to hold I down

Breaking chains has become the norm

I know I must get through no matter what a gwaan
