

# All of Us (Eden Prince Remix) [feat. ANIMA!]

## Dirty South

Close your eyes, when we hear it  
We're hypnotized from the feeling  
So say goodbye, in the meantime  
Let it all go (oh, ooâ€™oooh) Feeling so high, when you know it  
You're hypnotized, in the moment  
Just lose your mind, in the meantime  
Let it all go (oh, ooâ€™oooh)
