

# Will You Dance With Me

Julianne Hough

I'm a dancer  
And I move to the rhythm of the music  
Oh, it carries me away  
Yes I'm a dancer  
I was born to live this life  
I did not choose it  
And when the song begins to play  
Oh please, please  
Will you dance with me?  
And I'm a dreamer  
Oh, my head is in the clouds  
I keep believin'  
They really do come true  
A rainbow chaser  
And in the end I know that all the love I needed  
I will find it here with you  
So please, please  
Will you dance with me?

Baby can you hear the melody?  
I swear I've never heard a sound so sweet  
Makes me wanna take your hand  
For when a girl hits the floor  
I've never felt like this before  
I'm a lover  
Of all things everywhere  
God set in motion  
Like a sun and moon and stars  
Our lives together  
We'll rise and fall like the waves that pull the ocean  
If you take me in your arms  
So, please, please  
Will you dance with me?  
(Will you dance with me)  
Oh, please  
Will you dance with me? Ooo
