Loverboy - Prissy Prissy lyrics

I see you watchin'

You are sure delight

Me and twenty others, we've been watching you all night

And even though I saw you first, I'm still the last in line

I can see from here, you're not the lovin' kind

The way you treat the boys is a disgrace

It's so sad to see a pretty face

CHORUS: Prissy, prissy, prissy, prissy, prissy

Oh, so very prissy, prissy

Prissy, prissy, prissy, prissy, prissy

I'm trying to think of something good to say

To make you turn your head

To make you look this way

You're afraid to see me

You've had to much abuse

Me and all the guys think you're running around being loose

The way you treat the boys is a disgrace

It's so sad to see a pretty face

CHORUS

I see ya run, I see you hide, I see you cry x3

CHORUS OUT
