

Slaves & Bulldozers (live)

Soundgarden

Every word I said is what I mean
Every word I said is what I mean
Everything I gave is what I need
Virgin eyes and dirty looks
On what I have and why I took
Counting all the hands I shook Now I know why you've been shaking
Now I know why you've been shaking
Now I know why you've been shaking
Now I know why you've been shaking So bleed your heart out
There's no more rides for free
Bleed your heart out
I said what's in it for me, what's in it for me Everything I've held is what I've freed
Everything I've held is what I've freed
Everything I've shown is what I feel
Buying lies and stealing jokes
And laughing every time I choke
Biding all the time you took Now I know why you've been taken
Now I know why you've been taken
Now I know why you've been taken
Now I know why you've been taken So bleed your heart out
There's no more rides for free, yeah
Bleed your heart out
I said what's in it for me, what's in it for me
What's in it for, what's in it for Every word I said is what I mean
Everything I gave is what I need
Everything I've held is what I've freed
Everything I've shown is what I feel Virgin eyes and dirty looks
On what I have and why I took
Counting all the hands I shook
Now I know why you've been shaking Buying lies and stealing jokes
And laughing every time I choke
Biding all the time you took
Now I know why you've been taken (Now I know why you've been taken)
