Walk Away

Cheap Trick

You think that it's funny, you think I'm a fool It's nothin' I needed, just somethin' to do Out of touch out of time, it's not easy to find, well These two hearts are broken before they start, so Walk away, walk away I don't mind, I don't mindDon't act like you're worried, I'm feelin' no pain You got what you needed, your fun little game Stoned and confused, I know, it ain't easy to hold on We've been hidin', pretendin', cheatin' and lyin'Walk away, walk away I don't mind, I don't mind Walk away, walk away I don't mind, I don't mindDon't know what to thank, who to blame We were lovers just the same, well Startin', stoppin' Over and over and over Walk away, walk away I don't mind, I don't mind Walk away, walk away I don't mind, I don't mindWalk away, walk away I don't mind, I don't mind Walk away, walk away I don't mind, I don't mind Walk away, walk away I don't mind, I don't mind
