

# Deeper Understanding (Director's Cut)

Kate Bush

As the people here grow colder  
I turn to my computer  
And spend my evenings with it  
Like a friend  
I was loading a new program  
I had ordered from a magazine  
Are you lonely, are you lost?  
This voice console is a must  
I press ExecuteHello, I know that you've been feeling tired  
I bring you love and deeper understanding  
Hello, I know that you're unhappy  
I bring you love and deeper understandingWell I've never felt such pleasure  
Nothing else seemed to matter  
I neglected my bodily needs  
I did not eat, I did not sleep  
The intensity increasing  
'Til my family found me and intervened  
But I was lonely, I was lost  
Without my little black box  
I pick up the phone and go ExecuteHello, I know that you've been feeling tired  
I bring you love and deeper understanding  
Hello, I know that you're unhappy  
I bring you love and deeper understandingI turn to my computer like a friendI need deeper understandingGive  
me deeper understanding
