Macro

Eddie 'Flashin' Fowlkes

Overflowing senses, heightened awareness
I hear my blood flow, I feel its caress
Whispering cosmos talking right to me
Unlimited, endless, God breathing through meSee the microcosm in macro vision
Our bodies moving with pure precision
One universal celebration
One evolution, one creationThundering rhythm pounding within me
Driving me onwards, forcing me to see
Clear and enlightening, right there before me
Brilliantly shining intricate beautySee the microcosm in macro vision
Our bodies moving with pure precision
One universal celebration
One evolution, one creation
