

# Macro

## Eddie 'Flashin' Fowlkes

Overflowing senses, heightened awareness  
I hear my blood flow, I feel its caress  
Whispering cosmos talking right to me  
Unlimited, endless, God breathing through me See the microcosm in macro vision  
Our bodies moving with pure precision  
One universal celebration  
One evolution, one creation Thundering rhythm pounding within me  
Driving me onwards, forcing me to see  
Clear and enlightening, right there before me  
Brilliantly shining intricate beauty See the microcosm in macro vision  
Our bodies moving with pure precision  
One universal celebration  
One evolution, one creation
