I'm Done (feat. Grant Genske) - Robs & Duke Remix

MYNGA

You ruined my life
What you said in your message that night
left me broken and bruised
but now i know that you were wrongYou left me in shame
couldn't even take a look at your name
couldn't look at my phone
but now I know that you were wrongSo now I'm done, done, done
Oh I'm done with all your shit
So now I'm done, done, done
I'm starting to forget
So now I'm done, done, done
Now I'm going, I'm gone
Thought you broke me down, I came back ten times stronger, yeah
you thought you broke me down, I came back ten times stronger
I'm done!
Don't you broke me down, I came back ten times stronger
I'm done!
You killed me so deep
What you said hold up me and my sleep
Left me days in confusion
But now I know that you were wrongYou left me a mess
tried to hurt almost killed me with stress
but I finally confessed
and now I know that you were wrong
You were wrong!So now I'm done, done, done
Oh I'm done with all your shit
So now I'm done, done, done
I'm starting to forget
Done, done, done
Now I'm going, I'm gone
Thought you broke me down, I came back ten times stronger, yeah
Now I'm done, done, done
I'm done
Don't you broke me down, I came back ten times stronger
I'm done
