

Doin' My Thang

Shanice

Don't be mad , noDon't be mad at me, I ain't trying to have your man
He be watching me
You're just jealous 'cause you can't make him turn away
But I can't help it
I'm just doing my thang, doing my thangYour man, tell you he's so in love
Swear you're the only one, just can't get enough of your loving
But he be paging me but you too blind to see
And now you roll your eyes at me cause I stay on his mindDon't be mad at me, I ain't trying to have your man
He be watching me
You're just jealous 'cause you can't make him turn away
But I can't help it
I'm just doing my thang, doing my thangYour man, he living in a fantasy, thinking he can get with me
And you just can't believe I don't want him, no, no
But I could not pursue something that belongs to you
So if you wanna play the fool, girl, that's cool I don't mindDon't be mad at me, I ain't trying to have your man
He be watching me
You're just jealous 'cause you can't make him turn away
But I can't help it
I'm just doing my thang, doing my thangYeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeahDon't be mad at me, I ain't trying to have your man
He be watching me
You're just jealous 'cause you can't make him turn away
But I can't help it
I'm just doing my thang, doing my thangHe said with you is where he wants to stay
But to me, he says the very same thing
Don't be mad, I don't want him anyway
I'm doing my thang, just doing my thangDon't be mad at me, I ain't trying to have your man
He be watching me
You're just jealous 'cause you can't make him turn away
But I can't help it
I'm just doing my thang, doing my thang
