

# When Bogart Talks To You

## Blue System

Oh, you said that you're faithful  
Big dreams they're useful  
Now, I cry and I cry  
Till the end of the lonely night  
Don't say it's okay this goodbye  
This goodbye  
Oh, it's hard but it's fair  
Baby, I don't care  
A part of me is dying  
Oh, I'm here and there - call me everywhere  
Cross my mind - I'm dying  
Oh, I love you till the end of time  
Oh no, I love you till I die  
Don't break the silence, don't  
When bogart talks to you  
Don't break the silence of love  
When bogart talks to you  
Don't break the silence, don't  
When bogart talks to you  
Love me baby, oh kiss me  
Baby, don't miss me with devotion  
Oh, my heart needs a home  
Baby, I know love I know is passion  
We're friends - not stone  
Baby, without a home love is an obsession  
Oh, I love you till the end of time  
Oh no, I love you till I die
