In Too Deep

S Club

10:30 one more Friday night
I got my space
So I won't be getting heavy anymore

Bring on the one to save me
To you it might sound crazy
Way down inside my heart
I'm drowning

I'm in too deep
(In too deep, too deep, alright)
Let's take it easy, cool it down
(In too deep, gotta hold it back somehow)

Can't help the way I'm feeling
(In too deep, too deep, although)
I'm trying not to let it show
(In too deep, I can't let you go)

I wait to find you by my side
(Oh yeah, you're freakin' me again now)
How much more can I take this
(Babe, I gave you everything, yeah)

Bring on the one to save me
To you it might sound crazy
Way down inside my heart
I know

I'm in too deep
(In too deep, too deep, alright)
Let's take it easy, cool it down
(In too deep, gotta hold it back somehow)

Can't help the way I'm feeling
(In too deep, too deep, although)
I'm trying not to let it show
(In too deep, I can't let you go)

Every time I let you know

(Well)
Gotta let the feeling flow
(Ooh)
Gotta let it fly by
(Oh)

(Too deep, too deep, too deep, too deep)
Can't help the way I'm feeling
(In too deep, too deep, although)
I'm trying not to let it show
(In too deep, I can't let you go)

In too deep, too deep
In too deep, too deep
In too deep, too deep
