

Your Love (Is the Greatest Drug I've Ever Known)

Van Hunt

Your Love,
Your love is amazing
One touch takes me a thousand places
Your love,
Your love is the greatest drug Ive ever known makes me go crazy Girl come on tell me that youre free to be with
me tonight
Its been so long and I cant with out you in my life Your Love,
Your love is amazing
One touch takes me a thousand places
Your love,
Your love is the greatest drug Ive ever known makes me go crazy Dont make me wait not one-second girl Im
begging
For your tenderness
Face to face your lips on my lips
Girl I must confess youre the greatest Your Love,
Your love is amazing
One touch takes me a thousand places
Your love,
Your love is the greatest drug Ive ever known makes me go crazy Music playing nice and slow
I can hear you my dear
When were dancing so close whisper in my ear Music playing nice and slow
I can hear you my dear
When were dancing so close whisper in my ear your love, your love, your love Your Love,
Your love is amazing
One touch takes me a thousand places
Your love,
Your love is the greatest drug Ive ever be on makes me go crazy
