Wintersong

Jesca Hoop

Early in the year
Feeling
Fade away
Something has clearly gone today
Don't know what I can do
But I know
I know
I knowIt's the worst way to put you in the song
And I knew as the words came all of this was wrong
Early in the eve
But I know
I know
I knowAnd you nearly healed
In the feeling
That fades away
Something clearly gone today
Don't know what you want to hear
But I know
I know
I knowIt's the worst way to put you in the song
And I knew that as the words came all of this was wrong
Early in the eve
But I know
I know
I knowEven when your love's gone
Don't I show it
Even when your love comes
Baby don't I know itEven when your love's gone
Baby don't I show it
Even when your love comes
Baby don't I know itEven when your love's gone
Baby don't I show it
Even when your love comes
Baby don't I know itEven when the love's gone
Don't I show it
Even when the light's on
Something wrong and gonna know it
And you don't have to tell me nothing
Because you know that you already showed it

And even when the curtain's drawn
And the feeling's gone
Don't I know itAnd even when your love's gone
Man can she try to show itDon't I know it (You wouldn't be that naive)
Don't I show it
Don't I know it
Don't I show it
