Bad to the Bone

Backyard Babies

I got wheels under my guns
And I got steel and everything I need
Sex, drugs, bottles and tears
Baby, come on, will you ride my little pony`Cause I bad to the bone
Baby, I a rolling stone
I bad to the bone
Baby, yeah, baby, I bad to the boneSex is sometimes not enough
I want blood, baby, I want you
`Cause when I get on my horse I wanna feel the power
Smell the magic Wanna drive into the sunset`Cause I bad to the bone
Baby, I a rolling stone
I bad to the bone
Baby, yeah, baby, I bad to the bone
