

# Til the End of Time (feat. Kari Jobe)

Cody Carnes

Your waves and your breakers  
Wash over me  
Deep calls to deep  
In the mystery (mystery) I don't want to wait a moment more  
You're here, right here  
I'm just going to throw open the door  
My heart is yours 'Til the end of time (time)  
'Til the end of time (time)  
I'm yours  
'Til the end of time (time, time, time)  
I'm yours  
You're mine  
Your name is my safe house  
My refuge (my refuge)  
Savior my anchor (ha, ha, ha, ha)  
I run to you (ha, ha, ha, ha) I don't want to wait a moment more  
You're here (you're here), right here  
I'm just going to throw open the door  
My heart is yours 'Til the end of time (time)  
'Til the end of time (time)  
I'm yours  
'Til the end of time (time, time, time)  
I'm yours  
You're mine  
Whom shall I fear  
When my God is with me?  
I'm safe and sound in your sanctuary  
One thing I ask, one thing I seek  
To be with you, always to be with you 'Til the end of time (time)  
'Til the end of time (time)  
I'm yours  
'Til the end of time (time, time, time)  
I'm yours  
You're mine  
'Til the end of
