Die for your faith  
Die for your faith  
Die for what you believe inSmall group in Cambodia  
Gather in the mud brick room  
Teachers shares The Word  
Then they kneed and prayCommunist soldiers storm the door  
Throw the Bible to the floor  
Spit upon this book  
Or you will breath your lastOne by one they spit and cry  
They're in fear of their lives  
A young girl wipes her Jesus dry  
Shot in the head she diesDie for your faith  
Die for your faith

Die for what you believe inEvil man killing the Christians  
Satan gives him the false abuse  
But as he reads the Bible truth  
He converts to the Christian faithTaken to the evil leaders  
He is a disgrace  
Thrown into a slime filled pit  
Eaten by rats for his new faithCome on, let's go, yeah

Die for what you believe inPreaching man in China  
Taken from his family home  
Thrown into a prison cell  
For no criminal reasonRotting and tortured in his fate  
He will not deny his faith  
He knows the truth of Christian ways  
No brutal force will make him changeLet me hear you, yeah
