

# NO!

## Frazz bass

No is no  
No is always no  
If they say no  
It means a thousand times no  
No plus no equals no  
All no's lead to no, no, no  
Finger pointing, eyebrows low  
Mouth in the shape of the letter O  
Pardon me, no  
Excuse me, no  
May I stay? Can I go?  
No, no, no  
Do this, no  
Don't do that, no  
Sit, stay, roll over  
No, no, no  
Finger pointing, eyebrows low  
Mouth in the shape of the letter O  
Red means stop, do not go  
No, no, no
