Daily

Ivy League

Daily, seems like I just can't get ahead as soon as I get out the bed
There's always something going on to drive me crazy
I try to keep from going insane but I can't help but gripe and complain
'Bout what I'm gonna do this type of shit be happening daily
I water my grass just to take a load off
It's just so much on my mind
There goes my cell phone it's always ringing
Can't get no time alone and it's my girlfriend trippin'
I don't know what'cha talking 'bout you're making me so damn mad
'Cause you don't have to raise your voice and now we're arguing
Why this always happening? I just been busy
I'm doing new albums and it gots me working
Daily, seems like I just can't get ahead as soon as I get out the bed
There's always something going on to drive me crazy
I try to keep from going insane but I can't help but gripe and complain
'Bout what I'm gonna do this type of shit be happening daily
I check my mailbox, Sony is late again
Damn and Monday is a holiday, I can't get paid
Look at the TV, we just lost Steve Young for two weeks
And the playoffs started last week
And I put two hundred on with all my homies
My Rover is leaking oil in my driveway
And Big Daddy just cracked my rims on the Lexus as he drove away
But he got my house key, oh and I just locked the door
I look to the Lord above and it's starting to rain

And I swear this shit be happening daily
Daily, seems like I just can't get ahead as soon as I get out the bed
There's always something going on to drive me crazy
I try to keep from going insane but I can't help but gripe and complain
'Bout what I'm gonna do this type of shit be happening daily
Ain't got time for nothing no more I'm either in the studio or on tour
Everybody getting mad 'cause I don't get back to 'em fast enough
It's crazy my people got enough but I want some more
'Cause I still ain't got what I came here for and still get it is a fact
I know shit gon happen daily
Daily, seems like I just can't get ahead as soon as I get out the bed
There's always something going on to drive me crazy
I try to keep from going insane but I can't help but gripe and complain

'Bout what I'm gonna do this type of shit be happening daily
Daily, seems like I just can't get ahead as soon as I get out the bed
There's always something going on to drive me crazy
I try to keep from going insane but I can't help but gripe and complain
'Bout what I'm gonna do this type of shit be happening daily
Daily, seems like I just can't get ahead as soon as I get out the bed
There's always something going on to drive me crazy
I try to keep from going insane but I can't help but gripe and complain
'Bout what I'm gonna do this type of shit be happening daily
