

# Wake Up Everybody

## John Legend

Wake up everybody  
no more sleeping in bed  
No more backward thinking,  
time for thinking ahead  
The world has changed  
So very much  
From what is used to be  
There is so much hatred  
War and Poverty  
Ooh, Ohh, Yeah  
Wake up all the teachers  
Time to teach a new way  
Maybe then they'll listen  
To what you have to say  
'Cause they're the ones who's coming now  
When the world is in their hands  
When you teach the children  
Teach the very best you can  
(Chorus)  
The world won't get no better  
If we just let it be  
The world won't get no better  
We gotta change it, yeah  
Just you and me  
Wake up all the doctors,  
Make the old people well  
They're the ones who suffer  
And who catch all the hell  
But they don't have so very long  
Before the Judgement Day  
So won't you make them happy  
Before they pass away  
Wake up all the builders  
Time to build a new land  
I know we can do it  
  
If we all lend a hand  
The only thing we have to do  
Is put it in our minds

Surely things will work out  
'Cause they do everytime  
(Chorus)  
It's the God hour  
The morning I wake up  
Just for the breath of life I thank my maker  
My mom say I come from hustlers and shakers  
My mom built it on skyscrapers and acres  
He said take us back to where we belong  
I try to write a song  
As sweet as the Psalms, the one the type to bare arms  
And wear my heart on my sleeve  
Even when I fell in God I believe  
Read the days that weave through the maze  
The seasons so amazing  
Feed them and raised them  
Seasons are aging  
Earthquakes, wars, and rumors  
I want us to get by but  
We're more than consumers  
We more than shooters, more than looters  
Created in His image so God live through us  
And even in this generation, living through computers  
Only love love love can reboot us  
Ohh Wake up, everybody  
No more sleeping in bed  
Ohh Wake up, everybody  
I said I need a little help, y'all  
Ohh need a little help, y'all  
Come on, come on, come on, come on  
Need a little help y'all  
Ohh Need a little help, y'all  
Wake up everybody  
Wake up everybody  
Wake up everybody
