Love To Hate You

Die Happy

It's A Fascinating Story
About A Man
With A Look Of Despair
You Are Not A Soldier
No Cliche
[So] Take Good CareSo Give Yourself A Handshake
It Feels Good To Be Adored
It's A Neverending StoryYou Make Me Love, You Make Me Cry
You Make Me Live, You Make Me Die
Sometimes I Love To Hate YouTreat Me Right, You Treat Me Wrong
You Make Me Weak, You Make Me Strong
Sometimes I Hate To Love YouYou're So Courageous
Not Scared To Fall In Any Way
Bt Why Are You Pretending
You Know It All
Are You So Sure?I Know You've Got Your Visions
But People Like You
Were Tryin' Before
It's A Neverending Story
Going OnYou Make Me Love, You Make Me Cry
You Make Me Live, You Make Me Die
Sometimes I Love To Hate YouTreat Me Right, You Treat Me Wrong
You Make Me Weak, You Make Me Strong
Sometimes I Hate To Love YouStop, You Will Never Find The Way Back
Stop, Didn't You See The Warning Signs Behind Each Door
Stop.. Stop..[You Make Me Love, You Make Me Cry
You Make Me Live, You Make Me Die
Treat Me Right, You Treat Me Wrong
You Make Me Weak, You Make Me Strong]
