Girls

Sugababes

Here come the girls!
(Girls, girls, girls, girls)
Here come the girls!
(Girls, girls, girls, girls)Here come the girls!
(Girls, girls, girls, girls)
Here come the girls!
(Girls, girls, girls, girls)Slippin' on my little black dress
5 inches, I'm bound to impress
Turn it up, I'm a little temptressMonroe's got nothin' on me
Read my curves like poetry
Tonight we rule the world
Beware 'cause here come the girlsHere come the girls!
(Girls, girls, girls, girls)
Here come the girls!
(Girls, girls, girls, girls)Here come the girls!
(Girls, girls, girls, girls)
Here come the girls!
(Girls, girls, girls, girls)Here they whistle as I walk by
Shine like a crystal all through the night
One look will make a grown man cryStep aside I got a starring role
Camera, action, here we go
Tonight we rule the world
Beware 'cause here come the girlsHere come the girls!
(Girls, girls, girls, girls)
Here come the girls!
(Girls, girls, girls, girls)Here come the girls!
(Girls, girls, girls, girls)
Here come the girls!
(Girls, girls, girls, girls)I'm filled with sexuality
With or without a man, I feel complete
Stop speculating, I'm a regular girlAll independent women know
We got the guts to run the show
Don't let no boy tell you nothing
You're in controlHere come the girls!
(Girls, girls, girls, girls)
Here come the girls!
(Girls, girls, girls, girls)Here come the girls!
(Girls, girls, girls, girls)
Here come the girls!

(Girls, girls, girls, girls)Here come the girls!
(Girls, girls, girls, girls)
Here come the girls!
(Girls, girls, girls, girls)Here come the girls!
(Girls, girls, girls, girls)
Here come the girls!
(Girls, girls, girls, girls)
