

# Rhythm Of Love

## Plain White T's

My head is stuck in the clouds, she begs me to come down  
Says, "Boy, quit foolin' around"  
I told her, "I love the view from up here, warm sun and wind in my ear  
We'll watch the world from above as it turns to the rhythm of love" We may only have tonight  
But 'til the morning sun, you're mine, all mine  
Play the music low  
And sway to the rhythm of love Well, my heart beats like a drum, guitar string to the strum  
A beautiful song to be sung  
She's got blue eyes, deep like the sea that roll back when she's laughin' at me  
She rises up like the tide the moment her lips meet mine We may only have tonight  
But 'til the morning sun, you're mine, all mine  
Play the music low  
And sway to the rhythm of love When the moon is low  
We can dance in slow motion  
And all your tears will subside  
All your tears will dry And long after I've gone, you'll still be humming along  
And I will keep you in my mind, the way to make love so fine We may only have tonight  
But 'til the morning sun, you're mine, all mine  
Play the music low  
And sway to the rhythm of love Play the music low  
And sway to the rhythm of love  
Yeah, sway to the rhythm of love
