

Hickory Dichotomy

Stone Temple Pilots

Alright, alright, alright, come on
Alright, alright, alright, come on
Alright, alright, alright, come on
Alright, alright, alright, come on
Strange, strange, strange
It's a dichotomy
But it was never quite
Weird or quite normal for me
Take a break, take a breath
And let's see where we're at
Those damn bed bugs
Are sleepin' up in my head
All day, all night
You're tellin' my story
But you don't know my name
It's a hickory dichotomy
You're messin' with my brain
Sellin' the story
Are you whole or you lyin'?
Hickory dichotomy
I'll tell you the truth ain't divine
Alright, alright, alright, come on
Alright, alright, alright, come on
Brave, brave, brave
As the apostles go
Is it a hickory hypothesis
A one man show?
I'll take a rest, I'll take a revel
In a lot of lights
But the tall tale teases
Keep sneakin' in my show tonight
Alright
You're tellin' my story
But you don't know my name
It's a hickory dichotomy
You're messin' with my brain
Sellin' the story
Are you whole or you lyin'?
Hickory dichotomy

I'll tell you the truth ain't divine
You're tellin' my story
But you don't know my name
It's a hickory dichotomy
You're messin' with my brain
Sellin' the story
Are you whole or you lyin'?
Hickory dichotomy
I'll tell you the truth ain't divine
Alright, alright, alright, come on
Alright, alright, alright, come on
Alright, alright, alright, come on
Alright, alright, alright, come on
