

# Big City Girls

## April Wine

(myles goodwyn)

Published by northern goody two tunes, ltd./capac - ascap Late night hustle goin' down in the city

A one way street on the wrong side of town

Young and foolish, man don't you know

All we could see were Ladies in the night, walkin' a straight line

Ladies in the night, workin' overtime

Ladies in the night, doin' the hustle

Ladies in the night, flexin' their muscles

Ladies in the night, big city, big city girls We worked out a deal with some chicks on the corner

Back at the room it was never to be

No one had money and the girls got so uptight Ladies in the night, walkin' a straight line

Ladies in the night, workin' overtime

Ladies in the night, doin' the hustle

Ladies in the night, flexin' their muscles

Ladies in the night, big city, big city girls, so tough Baby I know, it's just what I see

Baby I know, it's not what I need

Big city, big city girls The next thing you know, things got rough, babe

They carved out a warnin' with a switch blade knife

The message was clear, if you wanna play, you gotta pay Ladies in the night, walkin' a straight line

Ladies in the night, workin' overtime

Ladies in the night, doin' the hustle

Ladies in the night, flexin' their muscles

Ladies in the night, big city, big city girls
