# Paralyzed

## NF

When did I become so numb?
When did I lose myself?
All the worse I need my time
I feel like they care for someone else

I'm paralyzed
Where are my feelings?
I no longer feel things
I know I should
I'm paralyzed
Where is the real me?
Iâ€™m lost and it kills me - inside
I'm paralyzed

When did I become so cold?
When did I become ashamed? (Ooh)
Where's the person that I know?
They must have left
They must have left
With all my faith

I'm paralyzed
I'm scared to live but I'm scared to die
And if life is pain then I buried mine a long time ago
But it's still alive
And it's taking over me - where am I?
I wanna feel something, I'm numb inside
But I feel nothing, I wonder why
And on the race of life time passes by
Look
I sit back and I watch it, hands in my pockets
Waves come crashing over me but I just watch 'em
I just watch 'em
I'm under water but I feel like I'm on top of it
I'm at the bottom and I donâ€™t know what the problem is
I'm in a box
But Iâ€™m the one who locked me in
Suffocating and I'm running out of oxygen

I'm paralyzed (Yeah, I'm just so paralyzed)

Where are my feelings? (Yeah, I'm just so paralyzed)
I no longer feel things (I have no feelings)
I know I should (Oh. How come I'm not moving? Why you're not moving? Ay yeah)
I'm paralyzed
Where is the real me? (Where is the real me?)
I'm lost and it kills me - inside (I'm paralyzed, I'm paralyzed)
I'm paralyzed (I'm paralyzed)
